**PHARMACY PERMIT NAME CHANGE FORM**

A pharmacy permit is valid only for the name and address to which it is issued.

**PERMIT NAME:** The name in which the permit is issued must be the name in which the company is doing business, i.e., the name that appears on purchase, sales, and shipping documents. The permit name will be changed upon notification to the department on this form. However, if the name change is a result of a change in ownership, a new application and permit is required.
